Fountain Valley, California 92708

www.spinalconnection.com

Our practice specializes in disorders of the spine as well as total joint replacement. We treat disorders of the entire spine, including the neck to the tailbone. Ram Mudiyam, M.D. is fellowship trained in spine surgery and specializes in back strains, spinal fractures, arthritis, herniated disks and scoliosis. Additionally, for our patients with moderate to severe arthritis, he performs total knee and total hip replacement surgery. Contact our office today to set up your consultation.

With Best Wishes:
Ram Mudiyam, M.D. and Staff
